Pure magic

By shiva

This is the extraordinary story of sadhguru jaggi vasudev, the mystic. Mind blowing, magical, amazing, extraordinary, unbelievable but true, fantastic, phenomenal and whatever superlative words are there in english we can put that. This story is that good. I was a bit fooled by the first 25 pages which were a bit slow, then the book takes off like a rocket. This book will put a hollywood thriller to shame. Even people not familiar with sadhguru will definitely enjoy this fantastic story. And if we are positive and receptive it will open up a huge possibility. We come to know of the determination, courage, sacrifice, ruthlessness, compassion of sadhguru for the benefit of humanity. whether we are a spiritual seeker or not if we read english this book is for us. Must read.

Take your life on a better trajectory. Start by reading this book.

By Satheesh A. Donthy

If you are planning to learn from a Siddha (a very special category of Indian Gurus) through Isha Foundation, I strongly recommend that you read this book before taking any Inner Engineering classes online or in-person. Your ability to understand Sadhguru will improve and your questioning / swirling mind will slow down a bit. Your receptivity to the initiation process and to receive the instructions to learn the sacred Kriyas will improve beyond your imagination. Do not get confused with brain-washing. You don't need to change your religion or an existing relationship with a Guru. Isha Programs are very agnostic to religion. Sadhguru is least interested in your belief system. He does not want to give you any new ideas. He only wants to share tools that you yourself can apply and see the results on your own. Read this book and learn following from Isha Foundation. Your health and life will improve so much, I don't care to waste words on what you are going to see for yourself.

- Surya Kriya
- Inner Engineering Online
- Shambhavi Maha Mudra One Day
- Hatha Yoga (for the courageous)
- Upa Yoga (for beginners)
- Anga Mardana (for body builders)
